National, Regional and Local Agencies

What is FreeWheel?

The Platform that Makes Premium Video Advertising Work

INTERNAL ONLY. © FreeWheel 2022. All rights reserved.

Capability	Value Statement	Existing Products
Plan	Enable intelligent cross-screen planning – fueled by deterministic Comcast viewership data and the ability to access and manage reach and frequency across all your supply partners.	○ Investment Manager ○ Campaign Planner ○ Forecasting ○ Upfront Capabilities ○ Audience Manager
Trade & Transact	FreeWheel lets you trade and transact across all video with simplicity. Use an integrated platform that brings together your audience data with the direct buying of standardized supply to reduce costs, execute more efficiently, and deliver results.	○ Campaign Manager ○ Beeswax DSP ○ Beeswax BaaS ○ Advanced Data Integrations ○ Data Suite
Manage	FreeWheel's technology will automate how you manage across pools of premium video supply, simplifying complex workflows and driving value for clients.	○ Investment Manager ○ Marketplace Platform
Optimize	Leverage technology built to automate how you track and optimize your most important video investments in real-time.	○ Investment Manager ○ Campaign Manager
Inform	FreeWheel's technology provides transparency and insights to inform your investments.	○ Investment Manager ○ Campaign Manager
